Yes, I have a new CPR card this month, Hazwoper as of October, and my medical monitoring is up to date until December!

I just went through this all for my new job so I know it off the top of my head!

Thanks,  
Ashley

Since I do not yet have access to the Dive Management folder, would you please confirm with me that you are up to date on the following:

- 1) Hazwoper
- 2) First Aid
- 3) Physical

Thank you!
